Sir,

Veterinary Hospital - Periodical inspection of.

---:oOo:---

I request you to inquire of the District Commander, Headquarters, Madras District, if he could be so good as to allow the D. A. D. V. S., to inspect the Veterinary Hospital once annually for a fee of Rs. 50/-. The Hospital was previously under the administrative control of the Station Health Officer, and it seems desirable, that there should be a periodical inspection by a Veterinary Officer. At presen the Veterinary Superintendent is responsible to me only and I do not feel competent to make sure that the Veterinary work is being carried on on sound lines and that drugs and stores are properly kept and accounted for.

2. The fee for the current year may be met from the savings under " I. Agriculture - Veterinary charges - I_1. Pay of Establishment" vide para 4 of my letter E.No.4367-A-27, dated 12-9-1927 and that for the next year from the sum of Rs. 1,200/- proposed by me for 1928-29 under "I. Agriculture - Veterinary charges - I_2. Other charges - Contingencies".

I have the honour to be,
Sir,
Your most obedient servant,

At my inspection I suggest that full scope be given to me to inspect the following, and offer my suggestions or improvements on them as considered necessary :-

1. Condition and general health of each class of animal under treatment.
2. Hygene and condition of the stables and environment of the hospital.
3. Remarks on watering and feeding with special regard to the prevalence of disease.
4. Quality of the articles of diet and scale of feeds for each class of animal.
5. The general condition of the animals feet and the forge if any.
6. Condition of Veterinary Instruments, medicines, pharmacy, stores, records and case books.
7. Remarks on cases under treatment.
8. Special remarks.

I would suggest however that I consider a more frequent inspection, say quarterly, be desirable, with a view to suggesting any improvements in the running of the hospital on modern lines.

Sir,

With reference to your Endt. No.11658, dated 18-11-27, forwarding for remarks letter E No.5007-A.27, dated 21-10-1927, from the Collector, Civil & Military Station, Bangalore, regarding the periodical inspection of Veterinary Hospital, I have the honour to state that as the payment of the amount was not contemplated at the time of framing the budget and provision therefor included therein, it should be treated as a "new service" expenditure ~~on~~ which would require the sanction of the Government of India.

It is presumed that the amount is payable to an officer of the Military department ~~and as~~ such the charges should be debited to the head "Establishment charges payable to other Governments, Departments" under sub-head "I-2 other charges". As it is proposed to meet the charge in the current year from the savings under the sub-head "I, Pay of Estt", necessary reappropriation of funds from the latter sub-head to the former would be necessary. As such a reappropriation involves the undertaking of a recurring liability the sanction of the Government of India would be necessary.

Veterinary Superintendent - Privilege of private practice - Sanction requested.

I enclose a copy of letter No. V/691 dated 5th December 1927 from the Veterinary Superintendent requesting permission to do private practice. This is allowed in Madras, vide letter No. 657-A/25 dated 2nd ~~December~~ October 1925 from the Chief Superintendent, C. V. D. Madras, copy enclosed. When I discussed the matter with Mr. Ware, the Chief Superintendent, he explained that he found in practice that the permission to do private practice out of hospital hours gave the assistants an opportunity of inspiring confidence in their ability and resulted in the long run in increased attendence in the hospitals. I therefore recommend that the sanction of the Hon'ble the Resident may be obtained under Supplementary Rule 12 permitting the Veterinary Superintendent to do private practice out of hospital hours.

Sir,

I have the honour to invite a reference to paragraph 2(4) of your Memorandum No.140-A., dated the 26th January 1927, according sanction, with effect from the 1st April 1927, to the transfer of control of the Veterinary Hospital from the Bangalore Municipal Commission to the Government of India.

2. The Collector, Civil and Military Station, Bangalore, considers it is desirable that the Hospital should be inspected half yearly by a Veterinary Officer. At present, the Superintendent of the Hospital is responsible to the Collector and the latter does not feel competent to make sure that the Veterinary work is being carried on on sound lines and that drugs and stores are properly kept and accounted for. He has therefore suggested that the Deputy Assistant Director of Veterinary Services, Madras District should inspect the Veterinary Hospital every half year for a fee of Rs.50/- per visit i.e., Rs.100/- per annum. The General Officer Commanding, Madras District has no objection to the proposal.

3. The Pay and Accounts Officer, Bangalore, who was consulted in the matter is of opinion that the sanction of the Government of India is necessary to the proposal as the expenditure was not contemplated at the time of framing the budget and provision

therefor

therefor included therein. A copy of his letter Ref.No.P.B.1-2975, dated the 25th November 1927 is enclosed.

Veterinary Hospital Establishment - Counting of service under Municipal Commission.

Sir,

I have the honour to invite a reference to paragraph 2(4) of your Memorandum No.140-A., dated the 26th January 1927, according sanction, with effect from the 1st April 1927, to the transfer of control of the Veterinary Hospital from the Bangalore Municipal Commission to the Government of India.

2. The Veterinary Hospital staff, as it existed under the Municipal Commission, was transferred to Government control with effect from the 1st April 1927 and the question has now been raised as to recognising the previous service of Mr. M. R. Chengari, the Superintendent of the Hospital as qualifying for pension. He has put in 15 years 11 months' permanent service under the Municipal Commission, Civil and Military Station, Bangalore and the Municipal Commission in their resolution No.4; dated the 28th November 1927, copy enclosed, have agreed to bear the proportionate charge on account of his pension. Under Fundamental Rule 130, the service of Mr. Chengari in the Municipality prior to the 1st April 1927 will not count as duty performed unless necessary sanction is accorded by a competent authority. The Collector, Civil and Military Station, Bangalore has therefore recommended that such sanction be accorded in the case of Mr. Chengari.

3. The Pay and Accounts Officer who was consulted in the matter is of opinion that under rule 130 of the Fundamental Rules the sanction of the Government of India is necessary to the proposal. I request that the Government of India may be pleased to accord their sanction to the proposal. The eventual pension

admissible

admissible to Mr. Chengari will be paid from Municipal and Assigned Tract revenues according to the Rule of Proportions.

4. No such proposal has been put forward in the case of the other members of the staff of the Veterinary Hospital.

Sir,

A. P. Fernandez

Chairman.

Southern Division Rate-Payers' Association.

The Committee have the pleasure to submit the following report on the working of the Association for the year 1927 :—

1. COMMITTEE.—At the annual General Meeting held on 13th January 1927, the following office bearers were elected:—(Chairman) Dr. A. P Fernandez L. M. S., F. R. I. P. H., K. i. H., (Vice Chairman), Major A. S. Andrews V. D., (Honorary Secretary) Mrs. H. Philipsz Stevenage, (Honorary Treasurer) Mr. T. K. Taylor. Members:—Mesdames J. M. Hayes, E. Claudius, Messrs C. B. Maiden, J. W. Thurley, C. J M. Blake, M. LaBouchardiere, M. A., H. T. Slade, Rao Bahadur B. V. Venkatasawmy Naidu Garu, M. Sheik Hussain, M. H. Raza, J. C. Dennehy, A. J. Stuart Smith, A. J. H. White, and Major D. Rennick.

On the conclusion of the election the proposal by Mr. Maiden nominating Major Andrews to represent on the Municipal Commission the European and Anglo-Indian community of No. II Division, at the General elections to be held in November 1927, was carried with acclamation. The elections were held last November. Major Andrews was returned unopposed.

During the year two vacancies occurred in the Committee through the resignation of Mrs. Stevenage and Mr. Thurley. These where filled up by the co-option of Mr. W. A. Love and Dr. A. K. Pani

2. MEETINGS.—There were twelve meetings held. No meeting was adjourned for want of a quorum. The attendance of the members of the Committee at each meeting varied from 10 to 16 with an average of 13-4 ; and that of visitors (members) fluctuated from 3 to 10 with an average of 8-4 ; thus, the total average attendance per meeting was 21-8 members which is a satisfactory record.

3. MEMBERSHIP.—The year opened with 174 members on the rolls ; of these, 1 died, 7 resigned, 9 left the station, and 7 were struck off the registers, reducing thereby the membership to 150 ; but, 86 new members having joined the Association, the total strength advanced to 236 at the end of the year under report.

4 SUBJECTS DEALT WITH.

(*a*) DIVISIONAL WARDS.—The Committee members in charge of the various wards were as follow:—Ward No. I. Mr H. T. Slade and Major D. Rennick. Ward No. II. Mr. C. J. M. Blake. Ward No. III. Mr. C. B. Maiden. Ward No. IV. Messrs A. B. Hayes and A. J. O'Flynn Ward No. V. Mrs. J. M. Hayes and Major A. S. Andrews.

All the ward-members from time to time offered some useful suggestions affecting the welfare of the areas in their charge ; most of these have been carried out, and a few are pending disposal.

(*b.*) WATER-SUPPLY.—At a meeting held on 11th February 1927 the proposals of Municipal Commissioner Mr. Rajagopal Mudaliar, for (1) the abolition of all meters save those used for trade purposes, (2) the continuance of the intermittent system of water-supply throughout the year, and (3) the division of the Municipal area into districts with a meter in each section to control the consumption of water, were discussed by the Committee ; and their views (supporting the first two and disagreeing with the third with reasons therefor) were submitted to the President, Municipal Commission.

(*c.*) VETERINARY.—In 1926 as the result of several reports of injury to horses (in some cases involving their destruction) through faulty shoeing by unqualified farriers, it was considered desirable to establish a shoeing forge as a department of Tasker Veterinary Hospital. Accordingly, on 15th May 1926 in consultation with, and the approval of, the S. P. C. A. and Bangalore Trades Association, the Committee addressed the President, Municipal Commission on the subject. But on 1st April 1927 the control of this institution was transferred to the Collector, C. and M. Station The scheme was therefore placed before him last May. The Committee have now the pleasure to announce that the Government of India in their Order No. 5 (22) A dated the 27th November 1927 have sanctioned it with effect from 1st March 1928. They tender their respectful thanks to The Hon'ble The Resident for having recommended the sanction of this proposal.

Re 119.

The forge will be run on scientific lines under a qualified and experienced farrier, the charges for shoeing will be appreciably less than those levied at present by unqualified farriers. It is just possible that there may be some underbidding from the affected quarters, but kindness to a dumb creature should induce owners of animals to resist this temptation.

(*d.*) POSTAL.—

(i) In April 1927 the residents of Seshadri road requested that a pillar post-box may be provided for their convenience. The Committee after examining the reasons in justification of this request recommended it for the favourable consideration of the Postal authorities. A Post-Box has been provided at the junction of Seshadri and Lavelle Roads.

(ii) Last June Mr. H. T. Slade suggested that the designation "Nilsundra Sub-Post Office" be altered into "Langford Town Post Office." The reasons adduced were good and sufficient. The proposal was recommended to the Post-Master-General, and it has been sanctioned by him with effect from the 1st January 1928.

(iii) In November 1927 Bangalore Trades Association referred for the views of theiCommittee the proposal to keep open the Post Offices for an hour or so longer than at present for the convenience of the public. The Committee has supported this proposal on the following grounds (1) the present hours of opening and closing post offices obviously suit public offices and large business houses which command peons and orderlies for postal work, but they are inconvenient to the general public, (2) the proposed small extension of time in the closing of post offices, while contributing to the convenience of the public in regard to registration and insurance, is not likely to influence adversely the despatch of outward mails, seeing that these offices are closed about three hours before the departure of mail trains and the transport of mails in horse wagons has been superseded by motor vans. (3) a compliance with the above representation would be a graceful compensation for the recent enhancement of postal charges

(e.) SUBSIDIARY MARKET.—At a meeting of the Municipal Commission held on 25th June 1927 an award of Rs. 11,933-8-10 was sanctioned for the site selected for the new sub-market the construction of which has long been advocated by our Committee. The site has been acquired ; plans and estimates of the buildings have been completed ; and the foundation of the market will probably be laid next month.

(f) ROADS.—The linking of Mango Dell with Church Street, and the metalling of the short length of Cornwell road have been repeatedly urged. The attention of the Divisional Commissioner has been invited to effect these much needed improvements. The Committee will endeavour to have these roads metalled during the current year.

(g.) PARKS. RICHMOND PARK.—

(i) On the motion of the Committee and under Municipal Notification No. T. 145/27 dated 4th March 1927, the tank on the southern boundary of the Park known as "Akkithimanhalli or Mud tank" was named " Richmond Tank."

(ii) The supervision and control of this park was formally assumed by the Committee under a resolution of the Municipal Commission communicated by the President in his letter No T. 313/27 dated 15th August 1927.

(iii) The annual fête was held on 22nd December 1927. It comprised (a) a Xmas tree with (b) a free tea for the children of the members of the Association, and (c) an *al fresco* Concert open to the general public. The Xmas tree (a cypress) was decorated by Mrs. T. K. Taylor and Miss Flanagan with toys and multi-colored bulbs enmeshed in strands of silver tinsel which when lit up with electricity presented a beautiful picture. Mrs. S. A. Smith, who was entrusted with attending to the tea for children, spared no pains to make the little ones happy. The Concert comprised a programme of nine items of instrumental music alternating with classical and comic songs. These were contributed by the Misses S. Taylor, M. Waller, H. Nicachi, I. Seymour, and Messrs. J. Cooper, F. Faine, and A. Laver. All these amateurs acquitted themselves in a manner which left an impression in the minds of those present that the Southern Division contained much local musical talent of a high order. The thanks of the Committee are due to these ladies and gentlemen for their co-operation, as also to the members of the Park Fair Committee who undertook upon themselves the none-too-pleasant task of collecting donations which enabled this year's Fete to be the great success it was. The Band of the 10/1st Pioneers played an selection of tuneful music, the programme comprising some of the latest publications. The Police arrangements by Mr. M. J. Smith Inspector of Police Shoolay Division were excellent.

MANGO DELL.--On 18th December 1924 in the address presented to Mr. T. B Russell, I.C.S., President, Municipal Commission on the anniversary of Richmond Park, the Committee referred to this Dell as follows:—"When Mango Dell was handed over to us for improvement we indulged in a vision of converting it into a 'flowery Dell' which would ring with the happy laughter of the romping children of the locality. But the financial stringency of the municipal coffers has not even enabled us to improve its sanitary condition. May we hope that if the estimated cost of converting the Dell into a Park cannot be allotted at once, yet that it may be found possible for the amount required to be spread over a few years." This appeal was not in vain. The President sanctioned a small sum of money at the end of 1926. The work of reclamation was started in February 1927 and by slow but progressive stages the Dell was transformed into a Park at the end of September 1927. At a meeting of the Committee held on 11th June 1927 it was unanimously resolved to name this park as "Russell Park." *Vox Populi, Vox Dei.*

On 21st October 1927 the supervision and control of this Park was assumed by the Committee r a resolution of the Municipal Commission dated 30th September 1927. On 16th November 1927 Park was opened to the public by Mrs. and Mr Russell, President, Municipal Commission three ess seedlings being planted by them and by Mr. W. H. Murphy severally in commemoration of the t. The Park grounds were decorated with flags and garlands of greenery. A large concourse of s and gentlemen assembled to honour the occasion. The Band of 1st/1st Madras Pioneers (K.G.O.) d a programme of delightful music.

Thus closed, another important chapter in the history of Southern Division Rate-Payers' Asso. on.

As usual the arrangements by Mr. Smith of the Shoolay Police Station for the parking of ages and maintaining order were very good and the Committee thank him for this trouble.

(h.) SANITATION.—The effluvia from the septic tank in the compound of the Good Shephard Convent and that from the cesspool in Baldwin Girls' School has been brought to the notice of the Health Officer and the Divisional Commissioner. The Committee hope to eradicate these long standing evils during the current year.

5. FINANCE.—The opening balance on 1st January 1927 was Rs. 220 The collections during the amounted to Rs 886, thus bringing up the total to Rs. 1,086. The expenditure (including the sum s. 111 disbursed towards the laying out of the Park in Mango Dell) totalled up to Rs. 638 leaving a closing balance of Rs. 447 at the end of the year under review. The accounts were audited by D. R. Vedamuthu of Imperial Bank of India. No remuneration was claimed by him. The Committee rateful to him for this kindness. Their thanks are also due to Mr. T. K. Taylor for having steered so essfully the finances of the Association.

6. CONCLUSION.— The Committee tender their thanks to Mr. T. B. Russell I.C.S. President Municipal Commission, the Executive Engineer, and the Health Officerf or their sympathy and advice in matters ected with the working of this Association ; and, last but not least to The Editor "The Daily Post" is wonted courtesy in placing its columns at their disposal, but especially for the whole-hearted support he has accorded to their resolutions relating to matters affecting the public weal.
